

## SPONSORSHIP OPPORTUNITIES AND BENEFITS

Women's Community Clinic honors its mission to improve the health and well-being of women and girls by providing health care, outreach services, and workforce development programs. We believe that preventive, educational care is essential to lifelong health and that all women deserve excellent health care, regardless of their ability to pay.

Each year, more than 4,000 low-income, underserved Bay Area residents rely on the Clinic for care.

**HYSTERIA** – the Clinic's biggest biennial event, featuring a festive reception, auction and comedy performance – brings together 400 local health care leaders, advocates and community members to raise funds and awareness for the Clinic's vital services. This year we are pleased to feature **the talents of comedian Helen Hong**, and to **honor Carlina Hansen with the 2018 Hysterical Hero Award**.

Your support of **HYSTERIA** enables the Clinic to provide every client with health care that is not just affordable and accessible, but compassionate, respectful and tailored to their individual needs.

We are thrilled to invite you to participate in this exciting event by becoming a sponsor.
